

What is CARE?

CARE is a charity that helps people all over the world. It was established in the USA in 1945 to support people after World War II. Twenty years later, CARE was helping victims of famine. Today, CARE works in over 70 countries to make people's lives better, safer, and healthier.

What does CARE do?

CARE helps people who are poor, hungry, or in need. It works with local communities to solve problems like poverty and illness. CARE trains health workers, builds schools, provides food and shelter, and helps people get clean water. CARE also supports people during natural disasters, like floods and hurricanes.

What can you do?

There are many ways you can help too!

✱ **Raise money** – Organize a concert or school event, or sell cakes and snacks to raise funds.

✱ **Get involved** – Give away your old toys or books to children and libraries, or help neighbors with shopping. Ask your parents how you can help.

✱ **Read and learn** – Learn about global issues like hunger and the environment through newspapers or the internet.

✱ **Spread the word** – Share your ideas with friends and family. Talk about how to make the world a better place. Working together can make a big difference!

Adapted from Reading and Writing 5
