First, we started our itinerary from Algiers, we decided to visit the famous monument “The Martyr’s Memorial” **which** was designed by Bachir Yelles Chaouch in the eightieth and built by the Canadians .The monument was opened in 1982, on the 20th anniversary of Algerian’s independence .Next, we moved to “Riadh El Fath” and visited “El Hamma Experimental Garden” that was created in 1882.Staying three days was not enough to discover Algiers.

Then we sailed to Bejaia, It took three hours to get **there**. We saw many touristic sites as “Tichi Beach” and “Yemma Gouraya” hill. We spent a night in a traditional hotel. After that, we took a bus to DJijel, we took photos in “Marvelous Caves” and swam in “El Oama” Tidy beach, and we had delicious traditional dishes in the city center. We stayed two days there.
